This is the Life

Sit back and relax in super soft comfort

The Bouroullec's iconic Quilt series of feature seating comes in a selection of bright, springy, high-tech stretch-fabrics that give a room an intense hit of colour. For a calmer first impression, select from the sophisticated tonal mélange fabric range. Built along generous proportions, the armchair is an irresistible reading enclave while the sofa is the perfect place to curl up together on a cold winter's night. The strong, glass-fibre shell is upholstered with a honeycomb-like stitched pattern filled with individual foam inserts. These geometric components are both mathematical and decorative in design, while their soft plump fullness offer superior comfort.

A spirited challenge to the formal, structured contract sofa, the Quilt brings character and all the benefits of a seat that will remain neat and presentable in high-traffic locations.
