

Model type	Pedestal	Size
	glass cones	W - L - H approx. in cm

1640 coffee table with three glass cones	white glass clear	90 x 82,5 x 42
	colored glass gray	90 x 82,5 x 42
	white glass-metallic effect	90 x 82,5 x 42

**Caution:**

**The table must not be drawn across the floor.  
To move, please only support at the glass cones, otherwise the glass pane may break.**

## Description:

The glass cones are pipe-blown by hand. Therefore, bubbles of up to 4 mm, mechanical and optical distortions as well as dimensional deviations are unavoidable.

All tables undergo a thorough quality inspection by experts and within strict limits. As glass blowing is high grade manual work, no table can be identical to any other table. Small dimensional deviations are possible.

Please kindly consider these circumstances.
