Built-in washbasin

Finishes

White

Built-in washbasin in white Cristalplant® biobased with overflow hole in a small basin connected with the main basin, which also can be used as a soap holder. Without tap hole. Designed for waste .MET0563 or .MET0509L. The overflow hole has a maximum capacity of 8 l/min, therefore it is advisable to install a waste designed for washbasins without overflow. Materials used: Cristalplant® biobased.
