

Side table with four tops positioned at different heights.

Structure: stainless steel AISI 316, matt-varnished in grigio lava colour.

Tops: shaped, in natural lava stone decorated with glass.

Notes:

Tops have a thickness of 12 millimeters, are swivel and feature a decoration reminding of stylized flowers.

The tops edge may be only partially decorated with glass, depending on the material's behavior during the processing.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
