DUCCIO MARIA GAMBI

Trained between the Radical Design and Milan's architecture, grown up through multiple and heterogeneous experiences and professional exchanges in Rotterdam and Paris, Duccio approaches the Design from a variety of directions.

In his projects for Galleries, fashion brands and private commissions of bespoke furniture, he maintains a research-storytelling approach where every work stands as a momentary reflection in an endless research on structures, materials, processes, which he carries on in his atelier and studio in Florence.
