

Indoor seating platform with backrest composed of a single and independent cylindrical element.

Platform padding: recyclable expanded polyethylene mixed with Aerelle® blue polyester fiber, layer of recyclable polyester, fixed cotton covering.

Platform upholstery: removable, made by sewing together elements in Paola Lenti Felt with Punto ZigZag stitch, which are then decorated with fabric appliques and machine embroideries.

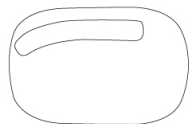

Backrest padding: recyclable expanded polyethylene mixed with Aerelle® blue polyester fiber, fixed covering in three-dimensional polyester fabric.

Backrest upholstery: fixed, in Costa Inglese, a new two- colours elastic tubular knit, exclusive to Paola Lenti.

Notes: the backrest is simply laid on the platform and can freely move to be placed in the desired position.

Awards: the Metamorfosi collection has been awarded the Green GOOD DESIGN AWARD 2023.
