

Believe in the team!

Crew Stand · Rafael Rodríguez

If our game tables are mini sports stadiums, Crew is the perfect seat to watch the match and cheer on the team. A two-tiered multipurpose seat that invites you to share ideas and experiences, encouraging team spirit and strengthening group dynamics. Its simple structure gives it visual lightness, while the strength of its metal frame provides the stability and toughness to comfortably seat eight people. Crew easily moves from one space to another, offering the functionality and flexibility that inclusive workspace and common areas ask for. It does not require pre-installation or fixing to the wall or floor, so you can join together as many Crews as you need with absolute freedom of movement and positions. Move it right, move it left. Move it up, move it down, creating the perfect viewing stand for the team.

Si nuestras mesas de juego son mini estadios deportivos, Crew es el lugar perfecto desde donde ver el partido y animar al equipo. Un asiento multiusos en dos alturas que invita a compartir ideas y experiencias, reforzando el espíritu de grupo. Su sencilla estructura le confiere ligereza visual, mientras que la robustez de su esqueleto metálico le aporta la estabilidad y resistencia para acomodar a 8 personas. Crew se mueve fácilmente de un espacio a otro para proporcionar la funcionalidad y flexibilidad que requieren los nuevos entornos de trabajo y espacios comunes. No precisa preinstalación ni anclaje a pared ni suelo, y puedes unir tantas Crew como necesites con total libertad de movimiento y posiciones. Sube, baja. Muévela a la derecha y a la izquierda creando el escenario ideal para tu equipo.

Move it and create the perfect viewing stand for the team.
