## Dear Ingo

RON GILAD

So familiar and yet so imaginative. Designed by Ron Gilad, Dear Ingo is a top-class eye-catcher that begs to be played with. Dear Ingo can be put in various forms and sizes and it leaves no spot in your interior unexposed.

---

### *Detailing*

The spider-like design of the Dear Ingo combines 16 lamps, from which each has its own adjustable arm. Shine some light!

## *Dimmer*

For fluent dimming behaviour we advise a dimmer that is compatible with the following specs.

**DIMMER TYPE**

Mains dimmable with compatible light source

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.
