## Description

The collection is a showcase of original design and refined combinations of materials, such as glass, metal, and leather. It features a tubular LED light source with a range of colour temperatures to choose from.

## Tech. description

The light comprises a glass shade, leather suspension straps, and tubular LED module with triplex opal glass diffuser. The LED module uses a Brokis connector. The entire assembly is secured with dural endcaps. The light is hung from a ceiling canopy, which also houses the electronics and terminal connectors.
