

Series including an armchair, two- and three-seater sofa.

The **structure** and the frame of the backrest are made of glass-varnished stainless steel.

The **structural covering** is fixed and in one or more colours made by densely aligning Twiggy yarns lengthwise.

The **seat and back cushions** are independent and padded with polyester fiber and stress resistant polyurethane encased in a fixed foam covering in waterproofed polyester.

The **seat upholstery** cover is removable and available in all of the outdoor fabrics in the collection.

The **back cushions upholstery** is fixed and available in Maglia Rasata, obtained by freely mixing remnants deriving from the weaving and braiding of outdoor fabrics and materials in the collection.
