

**Luzy Take Five**  
INGO MAURER 2018

Blue gloves with frosted bulbs at the finger tips. Surprising and unconventional. Controversial, free of restrained thinking and the boredom of the ubiquitous repetitive designs. Material: Plastic, metal, low-voltage lamps.

**Light source**

5 x 1,5 W LED, 5 x 100 lm, 2600 K, 15000 h, CRI >95, EEC A+, E27.

**Technical data**

LED version only for 220 – 240 V or 110 – 130 volts.

**More info**

Available since end of August 2018

**Colours**

Each glove is hand painted with a special blue colour. Luzy Take Five is made with left and right gloves.
