

Pouf.

The Island series also includes a modular seating system.

Structure: cataphoresis treated and varnished microperforated steel plate, fixed cover in polyester fabric, thermoformed polyethylene back panel coupled with polyester fabric and treated to be water repellent.

Structure upholstery: fixed, in Rope fabric.

Visible base: AISI 316 stainless with a satin finish

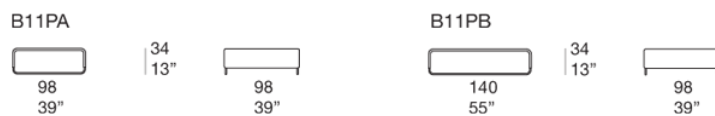

Notes:

Island poufs can be used as side tables in the compositions created with the elements of the series Welcome.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.

Awards: the Island series received the Mention of Honor of the COMPASSO D'ORO award in 2004.
