

Series of side tables with wooden top finished Mano Opaca or Mano Lucida and base in matt or gloss varnished steel matching the top.

The side table code B73A is now available also with a **top** consisting of Esmal enameled steel or copper.

This new version features a matt varnished **base** in grafite colour.

The enameling of the top is made in Paola Lenti exclusive colours by Alessandra Malfatti with hand working techniques that make each item different from the others, unique and exclusive.
