

Poliform

Paris-Seoul

design Jean-Marie Massaud, 2012

Paris-Seoul is a sofa, coffee tables and containers collection designed by Jean-Marie Massaud. Its generous proportions represent a concrete response to tailored comfort requirements through its clean and essential but, at the same time, original lines.

Sofas and armchairs collection

The sofas and armchairs collection: in the living area there is a full coherence between modular systems, complements and the elements dedicated to comfort. Collaborating with prestigious international designers, Poliform completes its offer with a variety of proposals that underline versatility. A series of different armchairs and sofas, able to explore a wide range of aesthetical approaches and to become part of a full "Home project", where every piece of furniture matches with the other, in a highly harmonious interior design project.

Finishing:

Base structure: wood and wood by-products. Backrest and arms: moulded flexible polyurethane with double density. Seat cushion: flexible polyurethane of different densities and springs, with sliding mechanism of the seat cushion that allows a depth adjustment in two positions.
