

PRODUCT INFORMATION SHEET

Name BIG ONE SMALL

Type pendent lamp

ID PC1043

Description This large-format light with a matte core by designer Lucie Koldova embody a gentle poetry, simplicity, purity, and balanced proportions. A key role is played by the inoculation of luminous bodies and their mutual interaction in space. The sophisticated design of a bubble suspended in the centre of a large sphere evokes a sense of levitation. Outer glass available with glossy finish in colours: transparent and smoke grey transparent. The inner glass comes in matte finish in colours: triplex opal, smoke grey transparent, red transparent and light pink transparent. Big One collection is available in two sizes.

Technical description The craftsmanship applied in production follows in the centuries-old tradition and experience of master glassmakers. The precision crafting of hand-blown glass instills distinctive, enduring character and outstanding quality in all Brokis products. The glass shades are formed from multiple layers of molten glass, each of which is scrutinized by the master glassmaker prior to being blown into the mold. Up to 70% of the resulting quality is achieved in this stage of production.
