MARCEL WANDERS STUDIO

Uhuh, Purr & Noot Noot (owl, rabbit & penguin) are a series of table lamps by Marcel Wanders with their very own personalities and characteristics. Rounded, endearing and elegant, they find their place in any kind of interior climate and environment. Their frosted glass bodies, decorated with touches of gold, emit a sunny, heart-warming light glow. Choose your favourite characters amongst a penguin, a rabbit and an owl and enjoy a wonderland of fairy tale characters with heaps of charm!
Detailing

Dimmer

For fluent dimming behaviour we advise a dimmer that is compatible with the following specs.

DIMMER TYPE
Dimmer on power cord

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.
