

CH26

HANS J. WEGNER

CARL HANSEN & SØN

DESCRIPTION

The CH26 Chair is part of a series of iconic chairs Hans J. Wegner created for Carl Hansen & Søn. The CH26 Dining Chair closely resembles the lounge version with its organic shapes, refined back and hand-woven seat, and features proportions ideal for longer periods of sitting at a dining table or a desk.

PRODUCTION PROCESS

Separate parts are processed on machines. The Chair is polished and assembled by hand and the papercord is also woven by hand.

DESIGNER

Danish architect Hans J. Wegner (1914–2007) is considered a pioneering furniture designer of the twentieth century. Often referred to as the master of the chair, Wegner created almost 500 in his lifetime – many of them considered masterpieces. Wegner was part of the spectacular generation that created what is today referred to as ‘the Golden Age’ of modern Danish design.

MATERIALS

Available in a mixed version with a frame in oak and backrest in walnut. Note that oak has a clearly visible wood structure when painted.
