WERNER AISSLINGER & TINA BUNYAPRASIT

Dalla collaborazione tra Werner Aisslinger e Tina Bunyaprasit nasce lo Studio Aisslinger, il cui approccio, sperimentale e artistico viene applicato a progetti di architettura e design industriale.

Il focus dei due designer si concentra principalmente su una ricerca estetica verso il design d'interni, attraverso lo studio dello spazio, lo story-telling partecipe delle caratteristiche di oggetti e contesti, il principio del collage e la simbiosi fra installazioni non-permanenti e spazi pop-up.

Il gusto per l'esplorazione degli ambienti si riflette nelle realizzazioni dei due designer, che ispirano la collezione di divani e poltrone Hobo Contract.

I lavori dello Studio Aisslinger sono esposti nelle collezioni permanenti di musei internazionali.

Out of the collaboration between Werner Aisslinger and Tina Bunyaprasit, Studio Aisslinger was born, through which they adopt an experimental artistic approach for all of their architectural and industrial design projects.

The two designers focus primarily on aesthetic research for interior design, through the study of space, the storytelling behind characteristic objects and contexts, the principle of collage and the symbiosis between non-permanent installations and pop-up spaces.

Their flair for exploring settings is reflected in the designers' creations, including their signature Hobo Contract sofa and armchair collection. Works by Studio Aisslinger are exhibited in the permanent collections of numerous international museums.
