Sprouts Pillows

KIKI VAN EIJK

Add a joyful accent to your home with the Sprouts Pillows. A whimsical, colourful and personal collection that brightens up your chairs or sofa. The hand-drawn sketches are inspired by childhood days spent immersed in nature. Days of daydreaming and drawing. The Sprouts Pillows come in three different colours. Insert sold separately.

Detailing

The Sprouts Pillows are made from silky soft velvet. The insert is sold separately.
