Brighten Up

Exchange your ordinary stools for a painted rainbow

The delightful and charming Step is a solid ash stool made with a high-tech process. This reliable little stool has a strong typology and colourful character that will suit modern, light-filled kitchens, bars and studios.

Step Federico Gregorutti

Federico Gregorutti
Italian Designer
Born 1968

Federico Gregorutti started his independent work as a scenographer in 1990, producing wall paintings in public spaces, discos and private villas. From 2000 Gregorutti extended his creative and technical interests and began working as an industrial designer with a particular flair in production management and coordinating suppliers. Since 2009, Gregorutti has been a vital part of the Established & Sons team as production manager and continues to design and experiment with a range of processes and new materials.
