

Series of side tables available in different dimensions, with top in Esmal enameled copper.

Structure: aluminium, matt varnished in grafite colour, plastic spacers.

Top: enameled copper available in three different décors:

- **A** - Esmal codes ESM006, ESM005
- **B** - Esmal codes ESM012, ESM011, ESM010, ESM008
- **C** - Esmal codes ESM009, ESM007

Notes:

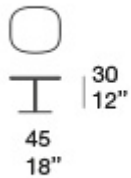

The edge of the copper tops is not enameled, to allow the material to oxidize over time, a natural process, as it naturally happens, passing from a bright red color to an intense brown, up to the classic oxide green.

Strap side table is also available completely made of aluminium, matt or gloss varnished in the colours in the collection.

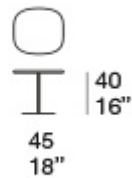

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
