

## SWING BEA - MOD 02

---

YEAR: 2021    DESIGNER: JADER ALMEIDA

Supported by a single point on the ceiling, the product allows the user to turn it completely and swing smoothly. With generous cushions on the seat and backrest, it is a perfect element for relaxation in transitional areas between internal and external environments.

### DIMENSIONS

95 x 92 x 68 cm  
37 <sup>3</sup>/<sub>32</sub> x 36 <sup>7</sup>/<sub>32</sub> x 26 <sup>4</sup>/<sub>64</sub> in

### MATERIALS

Black painted aluminum structure covered with nautical rope. Outdoor fabric seat and back cushion  
Rotating carabiner for correction on the ceiling.

\*The height of the right foot will determine the length of the ropes or chains that accompany the product.
