

## SWING BEA

---

YEAR: 2020 DESIGNER: JADER ALMEIDA

Supported by a single point on the ceiling, the product allows the user to turn it completely and swing smoothly. With generous cushions on the seat and backrest, it is a perfect element for relaxation in transitional areas between internal and external environments.

### DIMENSIONS

110 x 100 x 55 cm  
43 <sup>5</sup>/<sub>16</sub> x 39 <sup>3</sup>/<sub>8</sub> x 21 <sup>2</sup>/<sub>32</sub> in

### MATERIALS

Black painted aluminum structure covered with nautical rope. Outdoor fabric seat and back cushion  
Rotating carabiner for connection on the ceiling.

\*The height of the support point will determine the length of the ropes or chains that accompany the product.
